Sir,

FIRST ASST. SECRETARY TO GOVERNMENT 18 FEB 1952 DEVELOPMENT DEPARTMENT

Sub: Housing - Rural Housing - Bellary District - Gurupuram rural housing society - Senior Inspector to work in the society - Continuance sanction requested.

Ref: G.O.Ms. No.615 Development, dated 9-2-51.

In their order cited, Government were pleased to sanction the employment of a Senior Inspector at Government cost for a period of one year from the date of employment to work under the Gurupuram rural housing society in the Bellary district. The Senior Inspector joined duty in the society on 3-3-51 and the sanction of the post will expire on 2-3-52 A.N.

2. After the Senior Inspector joined duty, the plans and estimates of the houses proposed to be constructed by the members of the society were got prepared and approved. The society however could not commence construction of houses immediately as the lands selected for the purpose were assigned to the members of the society only in November '51. State loans to the extent of Rs.33,500/- were sanctioned to 7 members of the society in September '51 with the help of which they have commenced construction of houses. Applications from three more members for a loan of Rs.13,900/- have since been received and if they are in order, the loans will be sanctioned shortly. The Senior Inspector is attending to the enlistment of more members with a view to construct 20 houses, as contemplated in the scheme. The services of the Senior Inspector are required to attend to the preparation of loan applications for the remaining members of the society and to draw and disburse the loans in instalments to the members concerned as the construction of houses progresses. Arrangements will have to be made for purchasing in bulk building materials that may be required by the members and for distributing the materials among them. Besides, proper accounts will have to be maintained, by the society. The Honarary office bearers of the society will not be able to attend to these items of work promptly. The society has therefore requested that the Senior Inspector may be continued for one year more at Government cost. The Special Development Officer, Bellary has recommended the request of the society and stated that the society is not in a position to meet the cost of the Senior Inspector either in full or in part. I agree with the Special Development Officer and request that Government may be pleased to sanction the continuance of the Senior Inspector for a period of one year from 3-3-52 at Government cost, to work under the Gurupuram rural housing society in the Bellary district.
